

NORHED- Rupantaran Book Chapter Writing Workshop at Hotel Kutumba, Lalitpur on 5 April 2023

NORHED Rupantaran KU and TU jointly organized a Book Chapter Writing Workshop at Hotel Kutumba, Lalitpur on 5 April 2023. The workshop was hosted by Mr. Niroj Dahal where Rupantaran members from KU and TU were present. Book Chapter Writing Workshop was based on the agendas like Concept Sharing of the Book Chapter of Rupantaran, Sharing, and Finalization of Book Chapter Concept Notes, Tentative Plan for Collaborative Workshop/Programs as per the Implementation Plan, and Discussion on the End-Line Data Collection.

The tentative title for the book has been named as **Innovations in School Transformation: Contextualized Approaches to Increase the Quality, Relevance, and Sustainability of Education**. IGI Global has been proposed as the Book Chapter Publication. Different topics were discussed and had a focused group discussion over the topics related to the project areas. The many topics areas covered in this book include, but are not limited to:

1. Innovative curricula at schools in urban and rural areas to foster improvements in education.
2. Health, sustainability, productivity, and livelihood
3. Teacher training
4. Leadership training
5. Inclusive approaches
6. Capacity development
7. Evaluations of high-quality research
8. Policy development
9. Quality and relevance of teaching and learning
10. Demand, access, retention, and learning outcomes.
11. Education, health outcomes, and livelihood
12. Participatory action research
13. Transformative teaching and learning
